ProVisions LLC is a full-service international commercial real estate developer, financier, and advisory firm. The Principals of ProVisions have been responsible for the development, ownership and management of real estate valued at \$3,000,000,000.

ProVisions LLC has an excellent full-time opportunity available. The ideal candidate will be experienced in handling diverse people and strategic imperatives and will be able to work independently.

BUSINESS SEGMENT LEADER

Position Description

Summary:

The entrepreneurial nature of the company provides for uniquely qualified and educated individuals to become consummate development professionals. Our national business strategy for this year involves ambitious growth plans. Since the beginning of last year we have grown considerably, both in depth and the sectors that we recruit in.

- Learn in one (1) year what would take you three (3) to ten (10) years elsewhere.
- If you want an opportunity to grow and lead; many of our top associates have been with the company less than two (2) years.
- If you want to be well treated - our training and development program is second to none.
- Do you want to have your own business and/or profit center? We have a unique structure that allows this.
- If you want to feel secure, you can. We have been around for twenty-five (25) years and are a world-renowned firm.

Academic Qualifications:

- Associate / Bachelor's and/or Master's Degree in Business, Real Estate, Marketing and/or related field (Preferred)

Experience Requirements:

We are currently looking for people with entrepreneurial flair - experience is a plus but not crucial. What matters the most is your tenacity, enthusiasm, commercial awareness and ability to learn.

Skills Requirements:

- Strong presentation and overall communication skills are required
- Advanced level of proficiency in Microsoft office programs.

Job Responsibilities:

- Assisting senior management in new business development, acquisitions, and overall marketing
- Assisting senior management with financial feasibility analysis and ownership structuring
- Assisting senior management with document preparation and negotiation
- Performing market research and due diligence

Compensation:

- Performance Based Compensation - You will receive a maximum of ten (10%) percent of all net income the Company receives where you assist in securing the contract and/or business.
- For more information about this position's compensation package, please contact Human Resources.
