People are our most important asset and we invest heavily into our human resources. Our entrepreneurship, professionalism, spirit and culture create a unique environment in which interns can excel.

Whether you are an undergraduate, Master's candidate, PhD, or life-long learner, we have an internship opportunity to help you achieve your professional goals.

We are currently seeking a:

COMPUTER AIDED DESIGN INTERN

Position Description

Summary:

Designs and prepares complete and accurate working plans, charts, scale drawings and revisions for complex real estate projects, integrating skilled architectural/engineering, drafting methods and procedures with the operation and application of computer-aided design (CAD) equipment and software.

Academic Qualifications:

- High school graduate or equivalent (Required)
- Undergraduate Degree from a recognized technical school in Design, Architecture, or related field (Required)
- Training in CAD Applications (Autodesk, etc.)

Experience and Skill Requirements:

- Experience using AutoCAD in the architecture field
- Previous experience in drafting, designing and visualizing architectural projects
- Viz and Max capabilities preferred
- Must be a self-starter, proficient and organized

Job Responsibilities:

- Design and prepare detailed electronic (CAD) working plans, charts and/or scale drawings for complex projects from observation, measurements, sketches and specifications
- Interface with departmental personnel to obtain details of equipment and material requirements
- Prepare electronic layouts, detailed scale drawings, material and equipment requirements from sketches, specifications, and standard layouts provided by customers, consultants, and/or departmental contacts
- Review and manipulate electronic files received from consultants and departmental contacts
- Learn the real estate development business

Compensation:

Based on experience and education. Qualified candidates that are work/study for credit and/or experience are preferred. Work/study internship candidates are often offered part or full time employment upon the successful completion of their internship.
